

MORE ABOUT SUSANVILLE RANCH PARK

This is a beautiful and unique place, which will bring you much enjoyment! Susanville Ranch Park is a 1100 acre stretch of land, owned and managed by Lassen County, that includes some sharply rising hills, and beautiful open meadows. You can take advanced trails of steep climbs (and dips), featuring some hair-turn corners! Or you can take a leisurely ride across large and open meadows. Or you can do a combination of the two types of terrain! For more information from an excellent web-site, go to www.susanvillerranchpark.com
