

## ***Our Ride Schedule, Housing Information, Etc.***

*Our Mountain Bike Challenge will take place in Susanville, at the Ranch Park. If you are out of town, Susanville is in NE California, where Highway 395 and 36 come together. Susanville Ranch Park is slightly north of town.*

*On Friday night, July 10<sup>th</sup>: we are working out the details now. We would like (for out of town riders) to offer a “high carb” meal. We are also working on housing for “sponsored riders” from out of town. With this being our initial ride, we still have details to work out. But we will stay in touch with out of town sponsored riders to help them any way we can.*

***For those who desire to stay in a motel (either Friday night or Saturday night), we are working to establish a special rate with a local motel. Again, we will do our best to work out a free place to sleep. We’ll do the best we can, and then contact out-of-town riders to see what their housing preferences are.***

### ***The Ride Schedule: Saturday, June 11th.***

***7AM: Breakfast Meeting*** (mandatory for all riders). *At a location near Ranch Park or at the start site. We will get a good breakfast and have our final meeting before the ride.*

***8 AM: the ride begins at Susanville Ranch Park!*** *There will be many trails available to riders—from advanced to intermediate—and some easy rides as well. We want our riders to have fun, while they’re raising money for a great cause!*

***5 PM: the ride ends.*** *Try to note where you stopped, and if you know the way back to the church, and you should, you can keep riding towards it. Then it will be time to make your way back down to the starting site. From there you will be given instructions to attend the closing “Champions dinner”—and you won’t want to miss it! There will be some great food—and plenty of it! Every rider will be honored. You won’t want to miss this rewarding time! We will conclude all festivities by 7 pm or before—so riders can make their way home.*
