

Would you support me on the Barnabas Trail Challenge? All the proceeds go to encourage pastors in America by providing a place where they and their families can relax; and also the funds help to train hundreds of disadvantaged pastors in Africa and India. Barnabas Factor is the ministry that benefits from this ride. To date, they have had over 650 pastors and their families enjoy time at Lake Tahoe. And they have trained 1200 pastors in five countries in Africa. You can support me with any "flat rate" pledge. Any amount helps! (If you could pay in advance it would save a postage stamp. Thank you!)
